

SHUSWAP

**INDIAN
BAND**

**EMPLOYMENT OPPORTUNITY
Columbia River Treaty
Research Coordinator**

Term Position

The Shuswap Indian Band is located in the beautiful Columbia Valley near Invermere, BC. The Territorial Stewardship and the Rights & Title Department is responsible for conducting research on reserve and within the Secwepemc Territory to assert and preserve our Indigenous identity, history and archaeological finds.

The Columbia River Treaty Research Coordinator will work in partnership with the Secwepemc communities, elders, knowledge keepers and members in the Secwepemc territory to develop a comprehensive report on the relationship of the Shuswap Indian Band and historic Columbia River salmon populations.

Educational Qualifications:

- High School (Grade 12) or higher in a related field

Expertise Required:

- Knowledge of Secwepemc culture, traditions, ceremonies
- Strong information & records management skills
- Superior computer/MS Office suite capability
- Experience in conducting research of a historical, cultural and technical nature through literature and interviews
- Experience in report writing, development and delivery of presentations to a diverse audience

Other Requirements

- Interest in the relationship between the Shuswap Indian Band and historic salmon populations and a passion of meeting the research needs of the Band.
- Preference given to candidates with knowledge of Secwepemc language and culture
- The office is located near Invermere, BC. This term position ends at the conclusion of the deliverable (spring 2019).
- Position to start in early January 2019

For a full job description or to apply contact the Shuswap Indian Band, #3A-492 Arrow Road, Invermere, BC V0A 1K2.
